

LEAVE YOUR MARK ON THE NEW ELC PLAYGROUND

The Early Learning Center playground is a place where imaginations soar, friendships blossom, and our youngest learners discover the joy of exploration. As we create this special space for current and future students, we invite you to become a lasting part of its story.

For a gift of $250, you can sponsor a personalized fence picket on the new ELC playground. Your name, your family name, or a message honoring a child, grandchild, teacher, or loved one will be permanently displayed as part of this vibrant learning environment.

Each picket represents more than a contribution—it is an investment in the childhood experiences of generations of GHCDS students. Long after the playground is completed, your personalized picket will stand as a visible reminder of your commitment to nurturing curiosity, creativity, and joyful learning.

Whether you are an alum, current parent, grandparent, faculty member, or friend of the school, this is a unique opportunity to leave your mark and help build a space where children will learn, grow, and play for years to come.

TOGETHER, WE CAN BUILD SOMETHING EXTRAORDINARY!
